

CR80 CARD

3.375" X 2.125" CARD

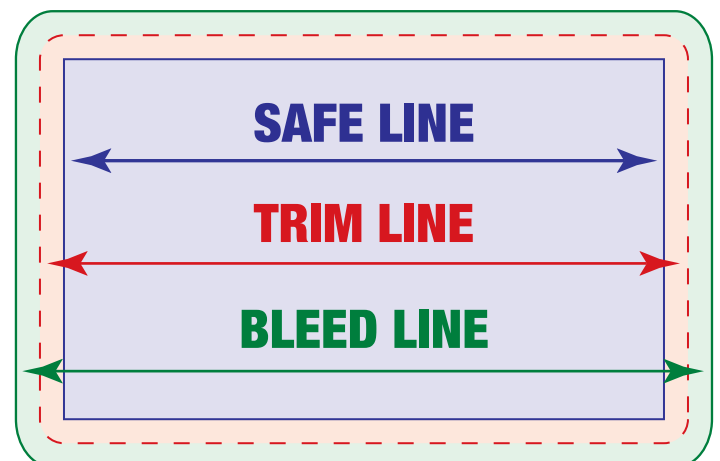

1. If your art is going to print to the edge of card (this is also called a bleed) after being trimmed, please verify that your art extends into the green bleed area. Anything beyond the red trim line will be trimmed off.
2. Your text should be at least 1/8" minimum from the red trim line.
3. Hide or delete template layer before submitting artwork.
